Summary

Dedicated student with a well-rounded background in **STEM**, **business**, and **community leadership**. As the **Head Coder** for the St. Kateri Robotics team and a **DECA Provincials qualifier**, I have built a strong foundation in technical problem-solving and strategic business communication. My experience as a **Peer Mentor**, **Army Cadet**, and participant in the **Halton Police Peace Program** demonstrates a commitment to teamwork and leadership. I am **First Aid/CPR certified** and trained in **HIGH FIVE® principles**, with practical experience as a **Swimming Instructor** and **Kumon volunteer**.

Experience

St. Kateri Tekakwitha | Milton, Ontario
Peer Mentor | 04/2026 - Present

- **Support Grade 9 students** in transitioning to high school by providing guidance on school navigation, resources, and social expectations.
- **Lead introductory sessions** to help students acclimate to the school environment and serve as a consistent resource for navigating daily high school life.
